

Trig Graphing WS
Cosecant Graphs

Name _____

Graph one complete period for each function and give the domain and range (in interval notation) of that period.

1) $y = 2 \csc 3\theta$

2) $y = \frac{1}{2} \csc \frac{x}{3}$

3) $y = \csc \frac{3\theta}{2} + 2$

4) $y = -5 \csc x$

5) $y = -\csc \left(x - \frac{\pi}{4} \right)$
