

Warm-up #3:

Graph the following functions. State the period, domain and range.

1.  $y = 3\tan(\theta + 45^\circ) + 1$

---

---

---

---

---

---

---

---

2.  $y = -2\cot\left(\frac{X}{2} - \frac{\pi}{2}\right)$

---

---

---

---

---

---

---

---
